

Name: _____

Help pay the electricity bill.

An *Ace Electric* bill for \$62.40 came in the mail today. Your roommate and you each pay half of the bill. The bill is low this month. You leave for work 30 minutes after your roommate each day. You turn the air conditioning up before you leave to save energy. Each person needs to pay \$31.20. Write a check to help pay the electric bill.
